# General Information

**Time**—12:00 o'clock noon, Eastern Standard Time on Monday, November 2, 1953.

**Location**—This sale will be held in the new heated 4-H Club building at the Madison County Fair Grounds, London, Ohio. London is 25 miles southwest of Columbus; 25 miles southeast of Springfield; and 45 miles east of Dayton. It is on Federal Highway 42 which is the main highway from Cincinnati to Cleveland. It is also on State Highway 38. Federal Highway 40 is only four miles north of London.

**Transportation**—London may be reached easily by automobile or bus on paved roads from every direction. It is on the main line of the New York Central Railroad running north and south from Cincinnati to Columbus and Cleveland. It is also on the main line of the Pennsylvania Railroad running from St. Louis to Columbus and Pittsburgh. The nearby cities of Columbus and Dayton are on main airlines and guests who travel by air will be met at those points if advance notice is provided.

**Accommodations**—The Shively and London Hotels are located in London, Ohio. There are also many excellent Tourist camps and motels in the immediate area. We will be glad to arrange hotel accommodations if you will let us know when you will arrive and the number in your party.

**Lunch**—A lunch will be served at the sale pavilion. Come early and allow yourself plenty of time for an inspection of the cattle.

**Auctioneers**—Paul Good, C. D. Swaffar.

**Bids**—Those wishing to buy at this sale but who find it inconvenient to attend may send buying orders to Hal Longley, the Sale Manager, 16 S. Locust St., Aurora, Illinois; Ned W. Place, Eastern representative of The Shorthorn World, Wapakoneta, Ohio; Allan C. Atlason, Secretary of the American Shorthorn Breeders' Association, Chicago, Illinois; Robert E. Schmidt, Fieldman, Ohio Shorthorn Breeders' Association, 390 N. Union St., Delaware, Ohio; Ray Roth of the Corn Belt Dailies; or Claude Tipton of the Indiana Farmers Guide.

**Please note**—Since this sale is to be held on Monday, we invite you to come a day early for a leisurely inspection of the herds. The three herds are within comfortable driving distance and we will be glad to supply auto transportation for a Sunday tour of the herds if you will advise us.

***Please bring this catalog with you to the sale.***

# Terms and Conditions

**GUARANTEE**—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition. The three herds participating in this sale are under Federal Supervision for Tuberculosis. Calftood vaccination for Bang's has been practiced for many years in all three herds.

**TERMS**—The terms of this sale are cash unless arrangements are made in advance. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

**HEALTH**—Every possible precaution is used to guard the health of Strowan, Greenwood and Willow Lee animals. All younger females in this sale have been calftood vaccinated and the health certificates provided on sale day will be evidence of a clean health record. A 60-day Tuberculin retest will be allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go. Health certificates will be furnished with each lot sold.

Announcements from the auction box will take precedence over printed matter in the catalog.

**LIABILITY**—The above guarantee and terms shall constitute a contract between the owners of these animals and the buyer of each lot. Neither the clerk of the sale, nor the individuals designated as Sale Manager or Co-Manager assume any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owners. Those who are holding this sale will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of guests.

**INQUIRIES ABOUT CATTLE LISTED**—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill. or Ned Place, Wapakoneta, Ohio.

The Greenwood Herd contains more imported and imported-in-dam females than any herd in Ohio. Here are a few of them. Note the good heads and excellent conformation.

## We Want You With Us . . .

This will be the first joint sale of Shorthorns from the Greenwood, Willow Lee and Strowan herds. Those who know us are aware that we have been friendly competitors in the shows and sales but that we have always been admirers of each other's productions. The friendly spirit that has existed between us has kept all of us on our toes and has resulted in better Shorthorns each year. Nationally famous sires have been used in all three herds and a liberal amount of top imported blood has been blended with the best from the herds of North America. We believe that a study of the cattle and the pedigrees will convince you that this sale offering is completely filled with the kind that can make Shorthorn dreams come true.

This is a very important event in our Shorthorn careers and we hope all of our friends will honor us by attending. We feel that the cattle will speak for themselves on sale day.

Sincerely yours,

Dr. O. W. House

# Three great Ohio herds join to provide a great offering

David S. Graham, owner of the Greenwood Herd and grandson of David Selsor who established this famous herd over a century ago.

Here are the  
men who will  
be your hosts  
at London, Ohio  
on November 2nd

Dwight Griffith, owner of the Strowan herd, dines with his friend Harvey Hoewischer.

David Graham sits with Dr. O. W. House, owner of Willow Lee Farms. His partner in the ownership of the Willow Lee herd, Vernon Benroth, is at the right of the picture with Donald Beale of Clay Hills Farm.

Willow Lee Farm is beautifully maintained and the cow herd is one of the strongest in North America.

I have just returned from an Ohio trip that included visits to Willow Lee, Greenwood and Strowan and I recommend this same tour to all who love good Shorthorns. Although the purpose of the trip was to inspect the cattle that are to be sold in this sale . . . and I was delighted with the quality . . . I took the time to renew my acquaintance with the cow herds and herd bulls on each of the three farms. These are truly great herds, maintained by expert cattlemen whose knowledge of pedigrees and programs of mating, culling and replacement have resulted in wonderful quality.

There are many reasons why I believe the sale on November 2nd will provide great buying opportunities. Chief among these is the fact that each animal is a superior individual backed by the richest possible ancestry and the further fact that the three consignments provide a variation of blood lines seldom found in one sale. I recommend this sale very highly to critical buyers. The cattle are excellent and the men who offer them command high respect in the Shorthorn industry.

Hal Longley  
of The Shorthorn World

Three beauties from Strowan Farm that will sell in this sale. From left to right they are: Strowan Orange Blossom N, Lot 48; L. M. Lavender 21st, Lot 49; and Strowan Clipper Rose 3d, Lot 47.

**One look at the cattle  
and the pedigrees and we  
know you will agree that  
this is the sale where you  
can buy the kind of  
shorthorns that will make  
your dreams come true.**

# *A formula for successful buying . . .*

Study carefully the sires that appear in the pedigrees of all animals you purchase for your permanent foundation. Pay special attention to those at the top of each pedigree. Upon the strength of these bulls rests your future success.

The pictures and pedigrees of these great sires appear on the following 12 pages. Study them carefully. They are a guarantee of the performance of the animals offered in this sale.

**CIRCLE M ROYAL LEADER 7TH**

Circle M Royal Leader 7th has done a great job in the Strowan herd. Included among his get are Strowan Sundial and Strowan Sovereign Lady 2d, the two outstanding individuals that won fourth prize in the class for pair of yearlings at the 1951 International Live Stock Show. The former sold at \$4,000 to Carl M. Johnson, DeKalb, Illinois, after winning third prize in the open summer yearling class. The latter sold at \$1,050 to Carson Gibson, Houston, Texas, after standing high in the junior yearling class. This sale contains many of his calves and yearlings. After you see them you will agree that he is one of the great sires of the day.

### CRUGGLETON NYREN

Cruggleton Nyren is the junior herd bull at Strowan Farms. He was imported by Reford Gardhouse who used him before selling him to us. His first bull was exhibited by Gardhouse at the 1952 Canadian National Exhibition and stood second in a strong class, later selling in the Gardhouse auction at \$5,000.

This is the first sale in which Strowan Farms have offered matured calves by Cruggleton Nyren and those who inspect them on sale day will be pleased with their style, perfect balance, fleshing and character. Note that his sire is by Cruggleton Willingdon and his dam is by Cruggleton Perfect . . . a perfect blood combination.

### **STROWAN PERFECT**

Strowan Perfect is well named because is is one of the most perfect calves ever developed at Strowan Farms. As soon as he was born he was elected for future service in this herd. He is a son of Cruggleton Acheson, he a full brother to Cruggleton Account, the bull Les Mathers selected for his champion the year he judged the great Perth Show. His dam is by Ascreavie White Knight and his granddam by Calrossie High Finance. Strowan Perfect has not been fitted highly because we did not want to impair his future usefulness, yet he won first prize at the 1952 Ohio State Fair as a junior calf and repeated in 1953 as a junior yearling. Several heifers in this sale will carry his service.

## **A Week End You Will Enjoy**

Come a day early and make a tour of the three herds from which the cattle for this sale are drawn. If you are coming from the East or North, start in at Strowan Farm, near Fredericktown, then drop down to Greenwood Farm a few miles southwest of London, then finish the day by a visit to Willow Lee Farm, near Washington Court House. If you are coming from the West or South, make the tour in the opposite order. No matter which way you look at them, the herds at these three farms are going to look mighty good to you.

**IMP. KIRKTON MONARCH**

Though now dead, we print the pedigree of Imp. Kirkton Monarch because of his influence in the Greenwood Herd. Sired by Kirkton Baronet and out of a dam by Naemoor Marshal, to us he represents the perfect combination of Scottish blood. We had the great misfortune to lose him at an early age but he left his imprint on the Greenwood Herd. A bull and two heifers sired by him, all excellent individuals, are to be sold in this sale. One of them is the grand heifer Greenwood Roth's Queen who won her class at many leading fairs in 1952 and who was a member of the undefeated first prize pair of calves on the entire circuit including the 1952 International.

### IMP. SCOTSDALE AUTOCRAT

Had we known at the time this sale was planned that we were going to lose Imp. Scotsdale Autocrat, we would never have listed four of his outstanding daughters in this sale. He did a great job in the Greenwood Herd. Among his more prominent get are Greenwood Souvenir, top bull bull of the 1949 International-Congress Sale, now siring prize winning calves for Carl H. Stander, and his full brother Greenwood Bombardier, now in service as junior herd bull at Greenwood Farms. His remaining daughters will be guarded carefully and the four in this sale are all we intend to sell.

### IMP. UPPERMILL WANDERER

This great son of Uppermill Metaphor has improved the Greenwood Herd and the breed in general. His calves have won a long list of high honors in the American show ring and have always been among the tops whenever exposed for sale. Among his many excellent calves is Greenwood Craftsman that will sell in this sale. He is the great bull that won first prize in a class of 22 great junior bull calves at the 1952 International and that was a member of the first prize pair of calves at the same show. Two bulls and five females sired by Uppermill Wanderer will sell in this sale and we are very proud of them.

Greenwood Bombardier has been slated for service in the Greenwood Herd since the day he was born. He is a full brother to Greenwood Souvenir, top bull of the 1949 International-Congress Sale and now siring blue ribbon calves for Carl H. Stander. Greenwood Bombardier was first prize senior bull calf at the 1952 Ohio State Fair and reserve grand champion bull at the 1952 Ohio State Show at Wapakoneta. Fed and exhibited by Ohio State University.

**EDELLYN ROYAL LEADER 83D**

Here is the famous bull that sired Ohio's Leader 2d., grand champion steer over all breeds at the 1952 International Livestock Exposition. In the opinion of many good judges he was the best of all International sweep-stake winners. This steer was bred by House & Benroth at Willow-Lee Farms, and fed and exhibited by Ohio State University. Edellyn Royal Leader 83d, a full brother to Dr. Donahoe's great bull Edellyn Royal Leader 19th, has sired many good calves including two heifers in this sale.

### IMP. DRYNIE WONDER

Many cattlemen who have traveled to Scotland and have seen the mother of Drynie Wonder say she is one of the best cows in Scotland and also maintain that his sire, Naemoor Immaculate, is one of the great breeding bulls. All of the Immaculate cattle that have come to this country have been especially well fleshed and his daughters have produced many of the top show cattle here. Drynie Wonder has consistently bred good calves for us. This has been proved by his undefeated Junior get-of-sire in 1952 including the International, and so far this year his get has stood high. All reports on his bull calves we have sold indicate that they are producing calves of top quality. His first son sold in this country was purchased by T. W. Gavin & Son, Illinois, and they report that the calves are outstanding. The first bull calf we sold sired by Drynie Wonder was to Ohio State University and this bull was Grand Champion at the Ohio State Fair this year. His calves are very good, too. In addition to these we have sold several bull calves in Ohio, Kentucky, etc., and have had good reports on all.

Willow Lee Wonder 11th—Says Manager Vernon Benroth: "A bull in which I have great confidence. If you study his pedigree and inspect the bull at sale time you will also feel that this bull has great possibilities. He has been exhibited successfully. We have used him on several cows that we are retaining in the herd and a couple of the sale heifers will be bred to him. Note that he is out of an imported cow by Cruggleton Willingdon."

Willow Lee Wonder 15th—His dam, Broadhooks Maiden 10th, has been considered one of the good cows of the Shorthorn breed. She has consistently produced show winners for us. A full brother to this bull was purchased by Charles Meacham of Kentucky and they report that the calves by him are outstanding. Willow Lee Wonder 15th won his class at the Ohio State Show at Wapakoneta and stood third at the Illinois State Fair this year. There will be no gamble in buying him for a herd bull.

Willow Lee Princess Royal 5th—We believe this heifer to be one of the most valuable females we are selling. She was a member of our first prize junior get-of-sire group at the 1952 International. We like this particular branch of the Princess Royal family and we are retaining a full sister of this heifer. This heifer will be bred.

This trio of outstanding animals sired by Drynie Wonder won first prize in the junior get-of-sire class at the 1952 International Live Stock Exposition. The two heifers in this group are included in this auction. From left to right they are: Willow Lee Wonder 13th, sold privately during the International Show at \$3,500 to W. H. Maughan, Ronan, Montana; Willow Lee Princess Royal 5th, Lot 9 in this sale; and Willow Lee Beauty 5th, Lot 4 in this sale. This get of Drynie Wonder was undefeated wherever shown in 1952.

Her granddam is a full sister to Broadhooks Maiden 10th that has produced us ten International winners.

Willow Lee Favorite 2nd, another prominent prize winner produced in the Willow Lee herd. In the year 1948 he was the first prize senior calf at the International, grand champion bull at the Michigan State Fair and reserve champion bull at the Eastern National. He was purchased by Kermit Hamaker & Son, Marshall, Michigan, and has done a fine job for them.

Greenwood Roth's Queen is surely the prize heifer of the Greenwood consignment to this sale. She won her class at many of the larger fairs in 1952 and was a member of the undefeated pair of calves throughout the 1952 circuit including the International Livestock Show. Here's the ideal combination . . . a real heifer with correct breeding. She is safe in calf to Greenwood Bombardier, our junior herd bull and a full brother to Greenwood Souvenir, Carl Stander's very successful stock bull. What a calf should result from this mating!

**A Greenwood  
bred bull that  
is making good.**

Above is shown Greenwood Souvenir, the top selling bull in the 1949 International sale. He is making history in the Carl H. Stander herd. At the right is shown a trio of his calves that won top honors in the junior get-of-sire class.

Greenwood Princess is one heifer that we would much prefer to retain but want to do our part in making this the finest offering of the Fall sale season. She is out of Glassingall Delicia 2nd, the daughter of Garguston Snowstorm that produced our famous herd bull Scotsdale Autocrat. We feel that she is the grandest old cow of the Greenwood herd. She now has another heifer calf at foot else we would never agree to part with Greenwood Princess.

Greenwood Pauline 4th is by Scotsdale Autocrat and out of the grand Pauline cow that we secured from Stewart Bennett's herd in Ontario. She is a full sister to Greenwood Pauline 5th, also selling in this sale. Such breeding is seldom found in auction sales. This grand young cow sells with a wonderful red heifer calf at foot by our senior herd sire, Uppermill Wanderer. The calf arrived August 4. If this isn't an attraction, I don't know what would be.

Three of the females in this group are included in the Greenwood consignment. From left to right they are: Greenwood Pauline 3rd (not selling), Greenwood Rosebud, Lot 31; Greenwood Pauline 4th (Lot 32), and Ballathie Orange Blossom 4th, Lot 33.

Cherry Lane Mercury May is from the Lady Dorothy family which is doing so well in many Ohio herds. You will like this heifer and she is safe in calf to our junior herd bull, Greenwood Bombardier.

---

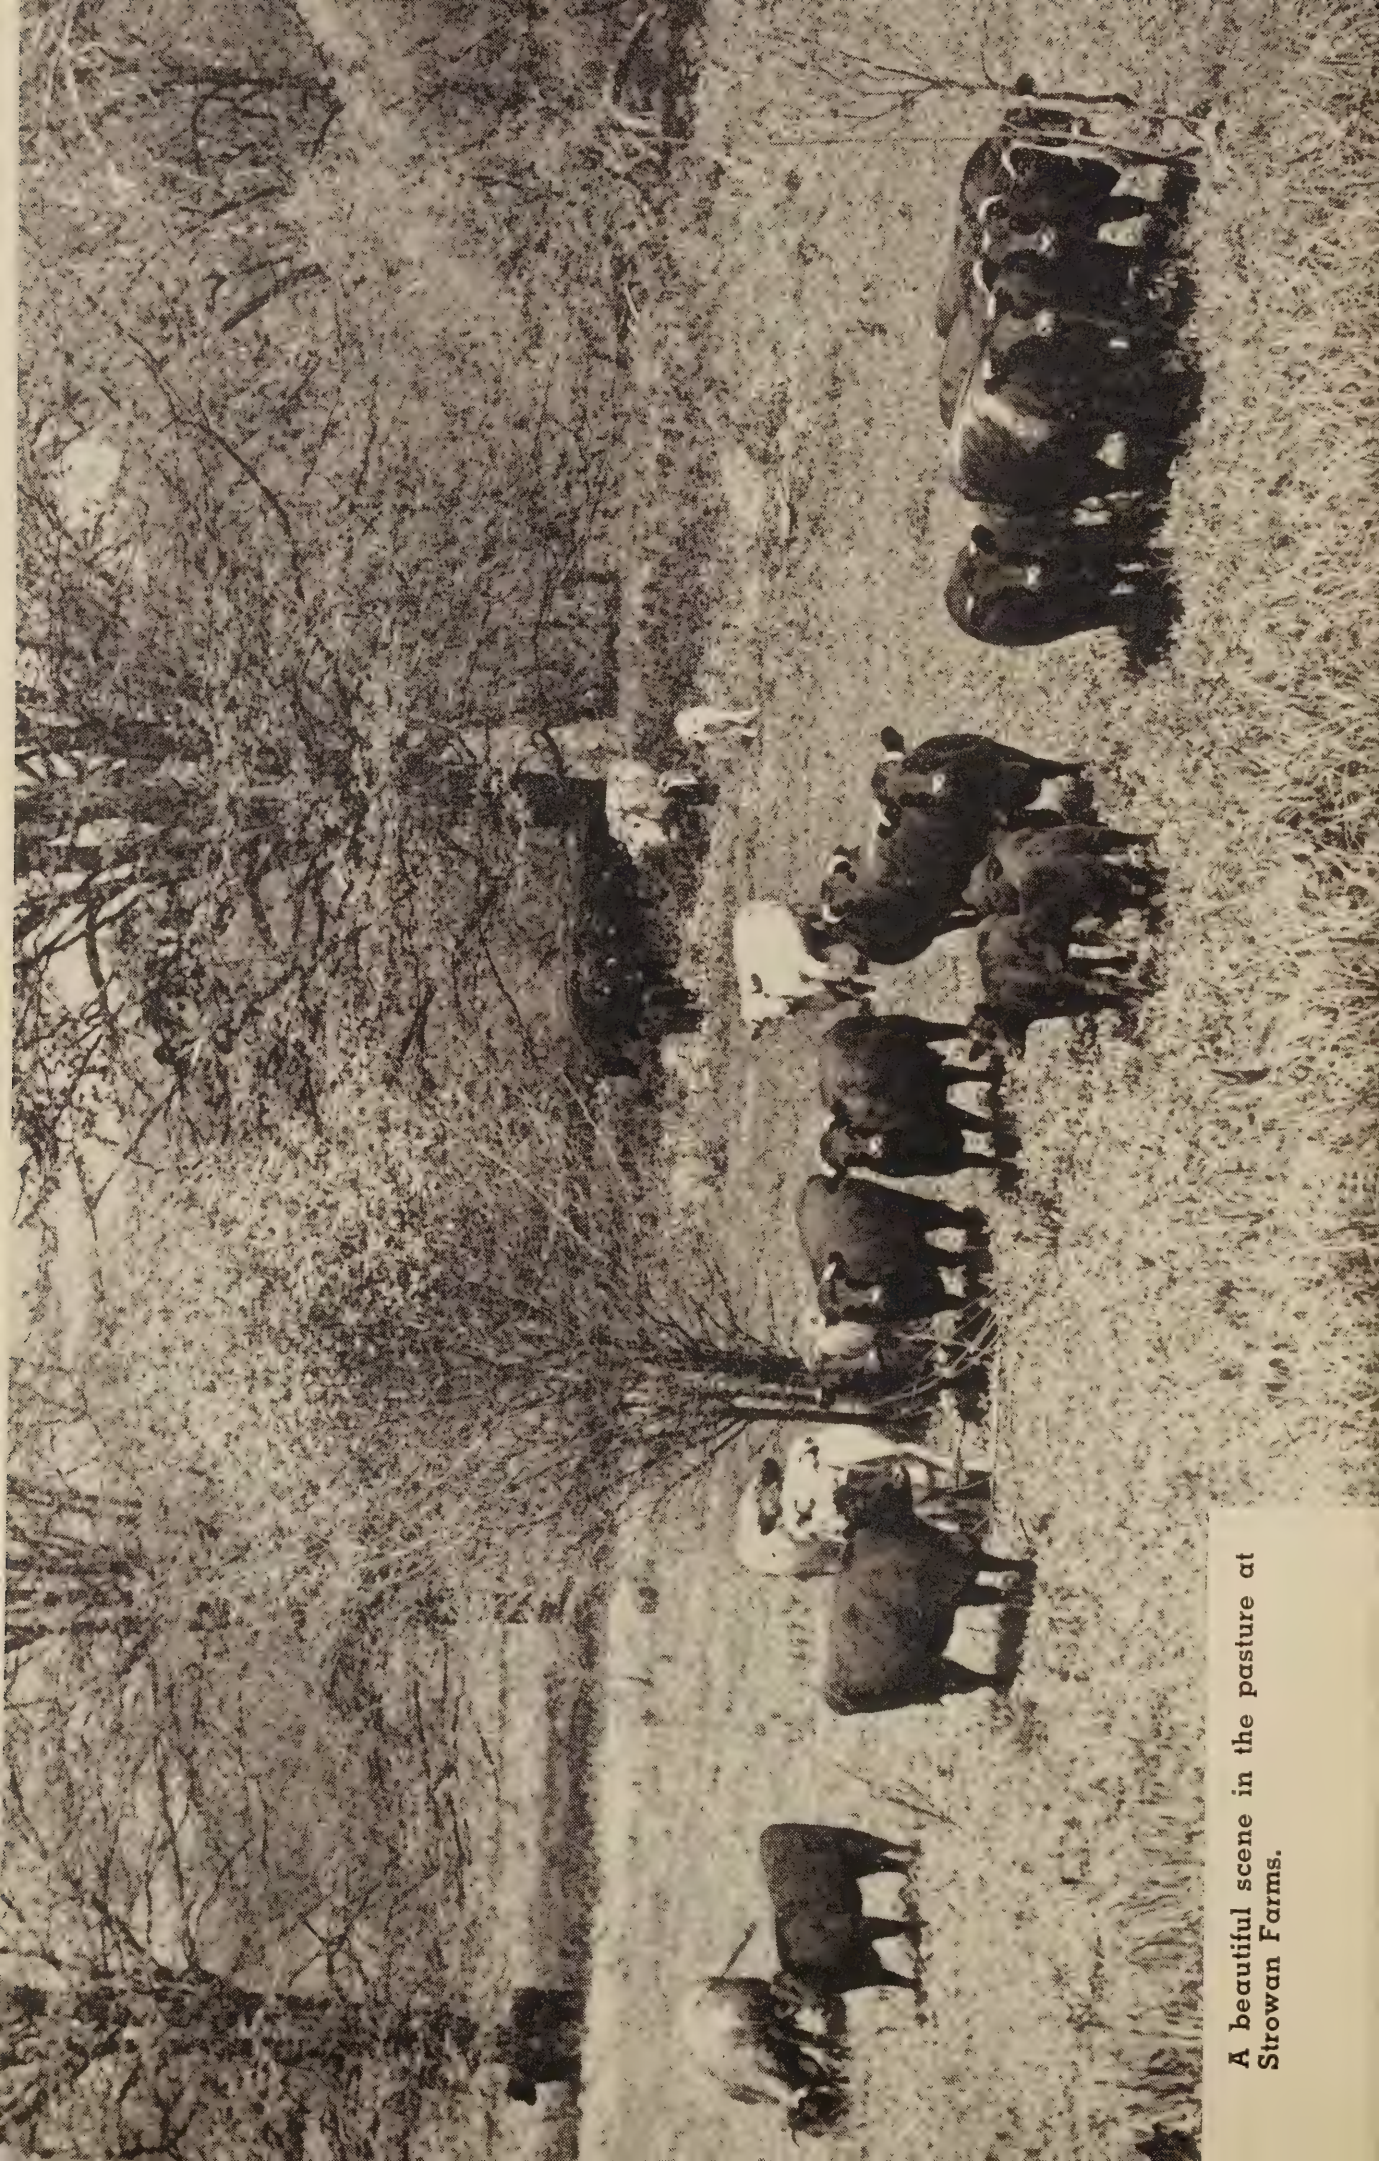

---

**At the International Live Stock Exposition in 1952, Greenwood productions won first prize in the junior bull calf class and first prize in the class for pair of calves. In addition, they had the champion bull of the International-Congress Sale and their four entries sold for an average of \$1,800. It was a fitting celebration of the Centennial year of Greenwood Farms.**

---

---

A beautiful scene in the pasture at  
Strowan Farms.

Typical Strowan productions. This pair won fourth prize in the class for pair of yearlings at the 1951 International Show. Strowan Sundial stood third in his class and sold to Carl M. Johnson, DeKalb, Illinois. Strowan Sovereign Lady 2nd stood well up in the junior yearling class and sold to Carson Gibson, Houston, Texas. They are by Circle M Royal Leader 7th.

Mary Kay Griffith and her 1950 club steer, Strowan Flash. He was the champion Shorthorn steer and the reserve grand champion over all breeds at the 1950 Ohio State Fair, after which he went on to the International Live Stock Show where he was the champion Shorthorn steer in the junior division.

Mary Kay Griffith and her 1952 steer with which she won the Shorthorn championship at the Knox County Fair in Ohio.

## The Strowan Record in 1952

Strowan Farms bred the dam of Ohio's Leader 2nd, the 1952 International grand champion steer over all breeds shown by Ohio State University, Columbus, Ohio. She is a daughter of our former herd bull, Mercury's Goldfinder, and was sold to Dr. O. House, Washington Court House, Ohio, as a calf at foot with her mother in the 1948 Strowan Sale.

We bred the dam of the 1952 International Reserve Grand Champion Polled Shorthorn female shown by C. B. Teegardin & Sons, Ashville, Ohio.

The first calf by our new imported bull, Cruggleton Nyren, to sell at auction brought \$5,000. He was purchased in the Aberfeldy sale by Mrs. W. J. Gartley, Inglewood, Ontario.

We showed the grand champion bull at the 1952 Michigan State Fair. Mary K. Griffith showed the grand champion steer at the Pittsburgh Fat Stock Show in 1952.

Aberfeldy Prince, the first calf by Imp. Cruggleton Nyren to be sold at public auction. He was sold at \$5,000 in the 1952 Reford Gardhouse sale.

Strowan Perfection—We wanted to sell one of the Cruggleton Nyren bull calves even though he would necessarily be young. Here he is and you will find him to be very smooth, short legged and full of quality. He was too young to stand properly in front of the camera, hence we cannot show his picture. However, if you will look Strowan Perfection over carefully on sale day, you will have a great respect for the calves by Imp. Cruggleton Nyren.

Strowan Priscilla 3rd—This roan summer yearling heifer from our show herd is outstanding in her individual merit and equally impressive in her strength of ancestry. Her dam is a low set, dark red daughter of the \$63,500 Perth champion, Pittodrie Upright. This beautiful daughter of Circle M Royal Leader 7th is certainly worthy of her heritage.

Her dam is one of the very best daughters of Circle M Royal Leader 7th and is a full sister to the show heifer that we sold last year to Wilbur Boutel, Grand Blanc, Michigan, for \$1,000.

Strowan Augusta 6th—A beautiful daughter of Circle M Royal Leader 7th. She is the senior heifer calf in our 1953 show herd and judges are going to notice her beautiful head and her low set, thick, deep body. Her dam is 15 years old and is probably as good a brood cow as we have ever owned. The top open heifer in our sale last year that was purchased by Kenneth Kettenhofen of Wisconsin was from a maternal sister. The top heifer in the 1951 Coshocton sale that was purchased by Harry Rosenberger was also from a maternal sister. A beautiful heifer from an outstanding brood cow.

This little lady is a granddaughter of Netherburn Lady Ransom 2nd whose daughters and granddaughters rate at the top of many strong herds. Mr. Kilcawley has a daughter and a granddaughter that rate at the top of his splendid Red Gate herd. Herman Purdy also selected a very good daughter for the Ohio State University herd. This grand headed, thick, dark red daughter of Cruggleton Nyren was too young to photograph but you are certainly going to like her. Her imported dam is a cow with a world of character and is the mother of Strowan Rodney now owned by Andy Miller, Millersburg, Ohio. We think this heifer will make a great show if carried on properly and we are equally certain she will make a great brood cow. She is a daughter of Ascreavie White Knight and her dam is a daughter of the famous Calrossie Randolph. Selling with a good dark roan heifer calf at foot by Cruggleton Nyren born July 3, 1953, and rebred to this same great sire, we feel that she can write a chapter in progress. Certainly this excellent young cow has about everything in the way of inheritance that could be written into a pedigree. We don't know her value but we do know that this pair will rank with the best in Shorthorns.

### **AMERICAN SHORTHORN BREEDERS**

### **ASSOCIATION**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
